Berrow Road,
Burnham-on-Sea
Somerset

Dear Friends,

I remember a learned man once lecturing how precious time is. He could never understand how people could be bored with life, there is always plenty to do, a wealth of knowledge to be absorbed that is fine, but there are times when we find ourselves at a loose end, not sure what to do, our minds otherwise occupied, or simply not in the mood to open a book. Occasions when time passes slowly, too much so for our own good.

Many have taken from the ministry of Jesus a life of discipline in an ascetic way, seeking piety and self discipline. Most of us would shrink from such an austere way of life yet we could seek improvement within ourselves and far greater control over our words and actions. Time can be used constructively as it was in the life and ministry of our Lord, even that apparently non-productive time which we all have occasionally before us.

We look forward together towards a new Connexional year. The twelve months will pass quickly, can we together be determined to make the best use of that time. Supporting one another, having a go at some new venture or entering into discipline for ourselves. The constructive use of our 'slow time' in this year can perhaps not only reap benefits for us on a personal level but also in a corporate way. It certainly did for Jesus in those three brief, yet full, years of ministry.

Yours sincerely,

Terry Isherwood
Minister

A tribute to Mr. Tarr has been written by the Editor

was a member for many years and was a great support
to the Burnham Society. To the families we express
our deepest sympathies and share with you your sad
loss. We remember with gratitude those who have
gone before.

The Manse Coffee Evening raised £43.20 for Circuit

MR. STANLEY T. TARR

With the passing of Stanley Tarr our Church in particular and the towns of Bridgwater and Burnham in general have lost one member who will be sadly missed.

When meeting him in the street or in committee one was always conscious of a friendly atmosphere and greeting, and he always gave a willing offer of help when needed.

He was the son of an old Bridgwater family, his father and mother and himself as a youth attended Monmouth Street Church. Articled with the firm of Butterworth, Jones & Co. he eventually became a partner and moved to Burnham some 19 years ago.

Whilst at Bridgwater and since moving to Burnham he had an abiding interest in the Y.M.C.A. and worked actively for the youth of the area.

For recreation he enjoyed golf, being a member of the Berrow Golf Club. He was interested in cricket, even acting as umpire for the 'Link' cricket match!!

He moved in Masonic circles, and was a great gardening enthusiast. One of his hobbies was philately, and he was a fervid member of the Society.

During the Ministry of the Rev. J. E. Tucker he took on the task of Church Treasurership of Burnham-on-Sea Methodist Church, only relinquishing this a short time ago. During these years on many occasions his wise counsel prevailed on matters financial and he brought his business acumen to the business in hand.

To Mrs. Tarr and her Family we extend our deepest sympathy.

Arnold Houldin.

BURNHAM

ANNUAL PROJECT

A COFFEE EVENING is to be held in the Schoolroom on FRIDAY, SEPTEMBER 9th at 7.30 p.m. at which the monies raised during the past year will be presented to Rev. Roger Adams, who is the Regional Secretary of the Bible Society.

Coffee will be served and in addition films and slides of some of our activities during the past year will be shown. This will include some film from the 'Mary Jones' walk and also photographs of the flower arrangements at the Flower Festival.

It is hoped that as many people as possible will come along to meet Mr. Adams and enjoy the Fellowship of the evening and also to learn the final details of our contribution to the Bible Society.

Many thanks to all who have contributed towards the project during the past year through finance and involvement with our various activities.

Everyone will be welcome to our evening.

LES. JERKIN.

FLOWER FESTIVAL 1983

When I started in October 1982 to contact churches in the local Action Group of the Bible Society to ask if they would take part in a Flower Festival to be held in July 1983, I said that it was hoped that flowers could be used from peoples' gardens to save any financial burden.

It was not possible then to visualise the long cold Spring of 1983, with continual rain which hindered the cultivation of flowers, nor the hottest July for many years when they would be used!

It proved a costly commitment and we praise the flower arrangers for their dedicated displays. It was a delight on entering the vestibule to see the Sunday School arrangement depicting 'Creation' with its pool surrounded by lovely flowers with glimpses of animals, and, as one three year old said to me "There's the Moon!". It had caught her imagination up there with the stars on the back cloth.

So we went on, delighting in the thoughts worked out in the arrangements, needing time to go back and look again.

My personal gratitude to our Minister, who from the first suggestion gave his approval and help.

Miss Hyde was so willing to make the church available to those who wanted to come in and 'measure up', and did a marathon job spraying to keep the flowers fresh through the excessive heat.

Mr. Les Jenkin chaired a little committee of those who accepted responsibility catering, production of programmes and posters and all the practical preparation jobs. 'Thank you' to every individual friend who helped.

Burnham.

We praise our Lord who through all our difficulties gave us a sense of encouragement. It was certainly a challenge to bring all Christian denominations together to show what beauty can arise from incidents in the Bible.

The financial result was approximately £200.

CIRCUIT YOUTH. . . HOE DOWN AND BARBECUE

The band played a jig, everyone pranced around - (well, almost everyone!!! hot dogs disappeared, and most important, the sun shone all the evening. A very happy evening of fellowship and fun was spent at Lake Farn, Bleadon, by members of most of our Circuit churches.

Many thanks to all who supported Circuit Youth in making this evening so enjoyable.

'LINK' BARBECUE at ROOKERY FARM

Tuesday, 12th July, was the evening of the 'Link' Barbecue at Rookery Farm, the home of Mr. & Mrs. Clapp. What an enjoyable evening it was! As newcomers to the area it was the first time our family had attended such an event; we had a super evening, full of "fun, fellowship and food".

The main event was the Family Sports - and it was lovely to see so many families joining in, from the 'Under 5's' to the Grandfathers. All participated with enthusiasm and those who were lucky enough to win their races were rewarded with prizes.

In addition to the usual track events, one of the star attractions was the Tug-on-War - the 'females' versus the 'males'. We thought we were off to a good start when the girls and ladies won the first 'TUG' - needless to say the men soon took over with their two successful wins. Never mind ladies, we'll now have stronger muscles for next year's Tug-of-War.

For those preferring other activities, there were games of skittles being held, a variation of a pillow-fight game for the youngsters, table tennis in the barn and finally a game of croquet on the lawn in front of the house. So there was something for everyone,

Even the spectators had a treat in store -raspberries and ice-cream were being served! The whole Barbaque was a great success. The ladies worked very hard serving hot-dogs, beefburgers, fruit and ice-cream and unending queues for cups of tea and cold drinks.

All in all the evening was a great success, and on behalf of all those present I would like to say a big 'Thank you' to ALL who helped to make it such a lovely evening (not forgetting Mr. Jenkin for his entertaining

BurhamOVERSEAS MISSIONS

A number of friends gathered in the Schoolroom for the Annual Overseas Missions Sale on July 28th.

The Rev. T. Isherwood led the opening devotions and welcomed Mrs. A. Cartwright who declared the Sale open. Abigail Lansdown, a J.M.A. collector presented Mrs. Cartwright with a bunch of flowers.

The stall holders were soon busy and teas were served. The sum of £88. was raised and this has been divided between Women's Work and the General Fund.

Thanks are expressed to all who worked to make this such a happy gathering.

UNA MALLETT and JOYCE PEARCE.

Extract from the July/August
'NOW' Missionary Magazine

"Every new Covenant, each new box, every subscriber to J.M.A., or envelope filled for Self Denial and Easter Offering will help us to reach the £2½ millions needed to enable the British Methodist Church to take its place alongside the Church in other parts of the World, as it seeks to serve God and its neighbours".

AN OLD IRISH VERSE.

May the road rise up to meet you,
May the wind be always at your back,
May the sunshine warm upon your face,
And the rain fall soft upon your fields,
And, until we meet again
May God hold you in the palm of HIS HAND.

FROM MARTHA'S KITCHEN

This month's recipe:

RHUBARB AND ORANGE JAM

4-lbs. Sugar
4. Oranges.

3-lbs Rhubarb

Wash and cut up rhubarb. Squeeze and cut up oranges. Add sugar and leave overnight. Boil for 1 hour the next day. This makes approx. 7-lbs jam.

With thanks to Mrs. Simmonds.

DID YOU KNOW?

1. That stale (uncut) loaves of bread can be revived by quickly running cold water over them, and then putting them in a hot oven for 10 minutes. This also works with French and Vienna loaves and bread rolls.
2. That whipped white of egg in single cream makes a good substitute for the more expensive double cream

FOR THOSE ON HOLIDAY

Lord be with those who at this season will be taking needful rest and change from daily toil. Let Thy presence brighten their holiday. May sin have no power to spoil enjoyment, and grant to them on their return renewed strength in body and mind for life's daily duties; for the sake of Jesus Christ our Lord.
Amen.

BRENT KNOLL

Looking at our diary for the past two months it seems to have been filled with more than just a few events.

July 12th found us at Rookery Farm participating in the games and skittles. One person who prides herself on being a 'dab hand' at skittles normally was thoroughly beaten by a young member of the Sunday School!!

At the end of that week we were found marvelling at the beautiful flower arrangements at Burnham Church in aid of the Bible Society. One can but wonder at the imagination and skill of those who created such amazing flower pictures on the theme 'God's Word'. Thank you all.

Ten days later we set off again to follow the clues of the 'Car Treasure Hunt'. A glorious evening for touring our beautiful countryside... and we are now more aware of some of the features of our Link Churches. The coffee at the end of the road was much appreciated! Thank you Mark.

As well as these activities the menfolk (mostly!) at our church have been decorating the outside and the entrance hall. One morning at least eight could be found wielding paint brushes at the same time! Not all the paint, needless to say, found its way on to the walls!

The urgency to give the church a 'face-lift' was the occasion of Roland Chiver's wedding. All of us who attended were delighted to be able to witness the marriage between him and Pearl Anstis on August 20th. We send them our Best Wishes and All Blessings for their future life together.

Well done Brean, being able to celebrate your 50th Anniversary on September 3rd and 4th. Some of us hope to join you at your supper.

Our thoughts and prayers go to all young people embarking on a new career or further education this month and especially to the Doney family whose new home will be in Guernsey. They will be greatly missed, but we wish them well.

M. FROST.

LYMPHAM

After so many weeks of glorious weather we are now looking forward to our Harvest Festival Service and Supper.

Our Service is on September 4th at 6.30 p.m. and we are having a buffet supper on the following evening, September 5th at 7.00.p.m.

We should be very glad to welcome any of our friends from the Link Churches to our supper, and the sale of our Harvest goods which will be auctioned by Mr. Joe Gilling after the supper.

BETTY HADFIELD.

BREAN

The present Methodist Church in Brean is probably the newest of the churches of the Link group. The Methodist worship has been celebrated since the days of John Wesley.

Travel from Burnham to Brean Methodist Church and, just before you arrive a plaque resplendent on the side of Chapel Cottage reads:

Wesleyan Chapel 1847-1933

Before 1847 worship was held at Southfield Farm.

This year is the 50th Anniversary of the existing church. In March a special service was held to remember the laying of the foundation stones, a service attended by many who laid stones back in 1933.

September is the anniversary of the opening, so with proper Methodist logic we start in the month of August!

Harvest Festival on the 28th August is the first event, and our guest preacher is the Rev. John Tucker. He needs no introduction to Link members, and we look forward to seeing friends from other churches, particularly at the evening service at 6.00 p.m.

On the weekend of the 3rd/4th September we welcome Rev. Dennis Hearle. Rev. Hearle has many family connections in nearby villages and has spent much of his youth in Brean.

Anniversary Day is September 14th. On that day we invite the village of Brean to join us for a tea party in the Church Hall. A short service will follow.

Having gathered in the Harvest, having remembered the past, having shared with the village, what of the future?

Saturday September 17th is the date of the Conference we are holding on the subject "The Use of Resources in the Village Church". The Conference will allow time for discussion and will be led by Rev. John Clark, who is Methodism's Connexional Rural Life Secretary. He is a member of the Arthur Rank Centre, the Ecumenical Foundation based at the Royal Agricultural Society of England's Showground at Stoneleigh in Warwickshire.

The use of resources does not mean just people, but buildings and other resources available to the Church. The Conference promises to be stimulating, and we hope our Link friends will give us their full support and attend in strength on this important occasion.

SATURDAY 17th SEPTEMBER at 2.30 p.m.
(to 7.00 p.m. approx.)

HARVEY ALLEN.

Well at last the sun did **shine** and what a good job it made of it too and we do hope all who have had their holidays during these last 6 weeks have really benefitted by the lovely weather. In Brean we have seen crowds of very brown bodies as visitors have taken advantage of the hours of sunning on the beach. We have enjoyed meeting a number of these visitors when they have joined us in worship and as one family of Catholic folk said it doesn't matter if the building is Methodist or Catholic the God is the same.

Brear

We look forward now to our Harvest Festival on August 28th and to seeing Rev. John Tucker again. We are doing something different this year concerning the Harvest gifts. We are bringing them in to the Manor Garden Fete on Monday 29th and selling all the produce for the Burnham Hospital, so look out for us on the Fruit & Veg. Stall.

We now have tickets for our Jubilee Celebration Harvest Supper on September 3rd and if anyone is interested contact Dr. Margaret Hicks. We want it to be a Link get-together evening. We also felt we should invite the people of our village to take part in the Jubilee Celebrations so we are hoping they will accept our invitation to tea on September 14th. These are two of the events we have planned and we are looking forward to a great time.

EAST BRENT

With September nearly on us we are beginning to think about our Winter programme. The Women's Fellowship and Wesley Guild programmes will be distributed shortly. The actual dates for commencement of the sessions are (for both) October 11th - the Women's Fellowship at 2.30 p.m. and the Guild at 7.30 p.m.

As mentioned in the last issue, there is to be an evening service at St. Mary's on Sunday evening, August 28th, when we are invited to go along.

Our Wesley Guild Flower and Vegetable Show is on September 3rd, and will be opened at 3.30 p.m. by Mr. Les Jenkin. In an effort to encourage more interest in the Flower Show from members of the Link Churches, there is to be a special cup presented to the member of a 'Link' church (other than East Brent) who secures the most points in the Show. It is to be called the 'Link' Cup. All churches have been issued with a number of schedules and details and times of the afternoon's events are given there. We do hope to see you, and also we are looking forward to a greatly increased number of entries from our friends in the Link Churches. Tea will be served from 4.p.m. so do come along and have an enjoyable afternoon.

Our two Jumble Sales held at Brean resulted in a nett profit of around £133. Very many thanks to all of you who lent a hand to make this total possible. The proceeds are for the Church Funds.

We have all been saddened to hear of the death of Mrs. Constance Merrey. She had always been a good friend of our Methodist Church, as well as a very faithful member of her own Anglican Church. A true Christian whose friendship many of us valued highly. She will be missed

East Brent.

in our Wesley Guild and Women's Fellowship. Our sympathy goes out to her daughter Judy.

Our Harvest Thanksgiving is on September 18th. The preachers will be Mr. D. Crisp in the morning and Rev. T. Isherwood in the evening, which will also be a united service with the Anglicans. There will be the usual Harvest Supper on the Monday evening.

Quite a few of our members will be taking a well-earned holiday during the coming month. They will be missed as our congregation is not all that numerous, but we wish them all a refreshing and restful time.
