BURNHAM ON SEA

Minister's Letter

We have been watching some sea gull chicks being cared for by their parents on our neighbour's roof. They have made a nest between the chimney and the roof. We first noticed them as tiny bundles of grey fluff but now they have grown in to much larger balls of fluff and are beginning to develop real feathers on their wings. It has been fascinating watching how the adult males and females have cared for them, watched over them, chased away predators and nurtured them as they have taken their first steps towards learning what those wings are for!

We have also been watching some other youngsters taking their first steps - this time they were some young people which we took to Firm Foundations¹ – the Boys' and Girls' Brigade's festival held over the spring bank holiday. There we were privileged to be part of some inspirational worship sessions along with around 800 other young people and to hear some equally inspirational speakers such as Shell Perris².

One of the most satisfying moments in church youth work is that moment when one of the young people you have worked with over a number of years comes to the point of making their own commitment to Jesus and the Christian faith. This has been our experience on most of our visits to Firm Foundations and it is great to see them beginning to make decisions about their own lives and to begin to spread their (metaphorical) wings as they as go on to be confirmed in their own churches.

For many of us it is a long time since we made such a commitment in church. In the Methodist Church though we have several reminders each year of the commitment we made: the annual Covenant Service is one such place but another, more available one, is our annual ticket of membership. It is useful to keep this with us maybe in a purse or a wallet alongside our credit and debit cards as a constant reminder of the call to which we have responded.

In a recent sermon I reflected that it's interesting that the membership ticket mentions nothing about buildings, or coffee mornings or church

² <http://www.shellperris.com/bio.html>

fairs or fixtures and fittings or in fact many of the things on which we seem to spend much of our time. Instead it tells us that our calling is to:

Worship - within the local church, including regular sharing of Holy Communion and through personal prayer;

Service – by being a good neighbour in the community, challenging injustice and using my resources to support the Church in its mission in the world.

Learning and Caring – through Bible study and meeting for fellowship, so I may grow in faith and support others in their discipleship.

Evangelism – through working out my faith in daily life and sharing Christ with others.

I think that if we examine our lives against the commitment we have made we will find that while we might be good in some areas we are extremely weak in others. The challenge is to decide on what we will do about them and take appropriate actions. Perhaps as we celebrate our Church Anniversaries we might take time to consider this?

It would appear that the company that has been our “Network Service Provider” has ceased trading. Nigel has not been able to get a reply from them to his emails and phone calls. Nigel is looking into the problems and seeing if he can transfer the web address to another supplier or we may have to have a new Web address. Sorry about this but will keep in touch.

MESSY CHURCH

On Sunday 6th June Burnham held its first Messy Church. Families arrived at 4pm. and had a choice of activities to do together including colouring, making fat and thin cows, decorating gingerbread Joseph's, dropping Joseph down a well and painting a life size Joseph with hand prints. At 5pm we went into church for a time of worship where we heard the story of Joseph, sang some rather lively songs, prayed together, and had a visit from some holidaying puppets. Our time together concluded with a lovely tea of sandwiches and cakes. All who came reported having a very enjoyable afternoon.

We are now looking forward to the next Messy Church which is on 4th July @ 4pm when the theme will be Moses. Please invite any families you know, or bring the grand children. Please note that Messy Church is an event for adults and children to attend together. All children must be accompanied by an adult.

Messy Church takes place at 4pm on the first Sunday of the month. Future dates for your dairies are: 1st August, 5th September, 3rd October, 7th November & 5th December.

Coach trip to Oakham Treasures on Friday 2nd July 9.30am -5.30pm cost approx £15.00 to include entrance fee. See Rosaleen Anderson or tel. 783652. Seats still available.

Also **Holiday to Bournemouth** in Jan. 2011 from Wednesday 12th to Sunday 16th. Cost for four nights half board plus coach £109.00 please see Rosaleen Anderson if interested.

MEMORIES OF TIM

My first meeting with Tim Christian was with the back of his head - it was my first time at a rehearsal of the Burnham on Sea Methodist Church choir and he was seated at the piano playing through some of the songs that we would be practising. I remember thinking that he was good. How good at that time I had no idea!

Tim was an extraordinary man – a man of intellect - with a passion for trains, a man of strong opinions held with conviction - a man of humour and empathy and a lifelong devotion to the church – particularly Burnham Church and its superb organ. Tim loved playing the organ! He would often go into church during the week to spend time just playing whatever he wanted and especially during his last months the organ was his place of solace.

The Burnham choir has many memories of Tim and not just as a brilliant musician – Harry remembers with joy the musical performances by Tim, Bridget and the whole Christian family. Sheila Creswick writes ‘Paul and I have many happy memories of singing together with Tim accompanying us on the piano’. We also remember the occasions when Tim played the organ at our sons’ weddings even travelling to Weymouth for one occasion. My most personal memories however were the times when I accompanied Tim on his “Meals on Wheels” trips. We had some interesting chats on our rounds and I shall treasure the memory of them’

Tim Christian was unique – his service to the church was inspirational and his last battle was fought with such courage and tenacity that we marvelled at his strength of character.

The choir misses him (and his shoeless feet on the organ pedals!)

Lie in peace Tim in your quiet resting place.

LINK VILLAGES' FELLOWSHIP

Rev. Andrew Biggs conducted our A.G.M. on Tuesday, May 25th. Reports were read from last year's A.G.M. and this year's programme by Eileen Goundry in the absence of Mrs. Joyce Pipet. As Joyce is stepping down this year, Mrs. Christine Thomas was appointed as the new leader. Other Committee members were re-elected en bloc. Everyone was thanked for all the work they had done during the year.

The afternoon concluded with Communion arranged in a circle.

The leaders will get together to draw up a programme for next year which we shall start with a visit from the ladies from Milton Ladies Fellowship on Tuesday, September 14th. This will be followed in the usual way with a tea.

ON TUESDAY JULY 6th., at 2.30p.m., Christine Thomas and Janet Johnson invite us to a TEA and SOCIAL AFTERNOON at WEST HUNTSPILL. Please go along and join them.

Churches Together

The past few months have seen a number of successful Churches Together events including the joint Lent course, the Palm Sunday service on the Knoll, and the joint Pentecost service in Apex Park. It has been wonderful to see all the local churches being so happy to work together.

During the year Churches Together have been looking at the possibility of a joint venture with an organisation called South West Youth Ministries (or SWYM). SWYM train young people for youth work on a variety of courses ranging from diplomas to full degrees. The proposal is that we would help to fund the training of 2 students who in return would spend the year with us supporting inter church community youth work in Burnham and Highbridge. Each church wishing to support the project will help to raise money in whatever way they are able with the aim of raising a total of £12,000. It is hoped that much of this money can be raised from

grants, but there will also be a number of fundraising events, which we hope you will support. If all goes to plan, the students will begin their placement in September 2011.

On another positive note, Andrew and other local clergy are currently helping a group of pupils at King Alfred's to set up a Christian Union. Please pray for them as they start this new venture.

Julie Biggs – Churches Together Rep. for Burnham.

Methodist Toddler Group

I would like to say a personal thank-you to Rosamund Loat who will be leaving our group this July due to work commitments.

Rosamund and I started as helpers in the group in 1994 and when Jackie Jenkin retired twelve years ago Rosamund took on the role of organizer.

Her dedication and service to our mothers and toddlers have been an inspiration to us all and she will be greatly missed.

I am pleased to say that Paul has now taken over her role and that together with our team we can continue to serve our Church and community

WHY SUFFER?

READ:

Matthew 5:1-12

Blessed are the poor in spirit.

--Matthew 5-3 I

The Bible In One Year

- Nehemiah 7-9
- Acts 3

Jesus taught that the world seen from God's viewpoint is tilted in favour of the oppressed. This teaching emerges in the Sermon on the Mount and other statements of Jesus: the first will be last (Matt. 19:30; Mark 10:31; Luke 13:30), and he who humbles himself will be exalted (Luke 14:11; _ 18:14). But why would God single out the oppressed for special attention?

1. Suffering helps us realise our urgent need for redemption.

2. Suffering helps us experience our dependence on God and our inter-dependence with one another.

3. Suffering helps us distinguish between necessities and luxuries.

4. Suffering helps us respond to the call of

the gospel because we may have become so desperate that we cry out to God.

The poor, the hungry, the mourners, and those who suffer are blessed (Matt. 5:3-6) because their lack of self-sufficiency is obvious to them every day. They must turn somewhere for strength. People who are rich, successful and beautiful may go through life relying on their natural gifts. But people who are needy, dependent and dissatisfied with life are more likely to welcome God's free gift of love.

"Blessed are the poor in spirit." Why? Because "theirs is the kingdom of heaven" (Matt. 5:3). -- Philip Yancey

*The hardships we experience,
The trials that we face,
Will teach us that we're strongest when
We're trusting in God's grace. Sper*

The weaker we feel, the harder we lean on God.

Let Him comfort you

'THE GOD OF ALL COMFORT, WHO COMFORTS US' 2 CORINTHIANS 1:3

God can make you comfortable in the most uncomfortable places. He can pull you out of situations you thought you'd be stuck in forever. He can give you peace, even in the midst of trauma. Before your life is over, you'll live, love and experience loss. Losing some things will actually help you to appreciate the things you still have. It's the taste of failure that makes success so sweet. How can you celebrate victory unless you've known defeat? You'll live each day not knowing what tomorrow holds, but knowing that God holds all your tomorrows. They're not in the hands of your boss, your broker, your mate, or anybody else. Nor are they in your hands to manipulate and control. No, all your tomorrows are in God's hands! So whatever you do; get to know Him, because you'll need Him. And He'll be there for you. He'll be there when everybody and everything else has gone. He'll be there for you in the dark places. His promise to you is, '... Weeping may endure for a night, but joy comes in the morning' (Psalm 30:5 Amp). However long the night, morning always comes and with it His joy. Just think, no matter how dark the night, you've always lived to see the morning. Right? Somehow His grace has protected you, provided for you, secured you, calmed and comforted you, and brought you through. Times and seasons change, but not God. He's always!... The God of all comfort...' and He's watching over you today!

STEWARDS COLUMN

Well, June has arrived and we are experiencing some good weather (up till now!) I hope that doesn't put the "mockers" on it – (I do love these good old Birmingham expressions!)

We have also been experiencing some notable 'firsts' at Burnham recently. The arrival of Messy Church seems to have started very well and although I personally had some doubts I must admit that everyone (me included) and especially the children thoroughly enjoyed it. The activities were well prepared, with hand painting Joseph's coat, colouring gingerbread men with icing stripes, making fat and thin cows, and other activities all giving clarity to the story of Joseph. The worship in church was innovative and very enjoyable, (and the following tea was good too!)

June has also seen the start of the monthly Lunch Club and our first venture was a great success. Daphne and Joan are to be congratulated. I personally am looking forward to the next one as I am also looking forward to the Strawberry Tea at Dorothy and Cedric's on the 30th June. I would also like to thank Barbara and Ros for the great evening we spent at the church hall last night for the Gardeners Question Time.

We are looking forward to the Burnham Church Anniversary on 27th June – 2 services - 10.30am and 6.30pm and a special anniversary tea at 5.00pm – all welcome.

Some of our congregation have not been too well of late, and we are remembering them in our prayers and wish them all a speedy return to full health.

I send greetings to all in the Link and my best wishes for a warm and pleasant summer

## The Church Lunch Club has arrived

It will continue monthly on the second Wednesday of each month. The two course meal, followed by tea or coffee, will be served in the Burnham Methodist Church hall. There is a limit of 20 people and tickets must be obtained in advance to avoid wastage.

## **Thank you**

I would like to say thank you, for two more donations for Home Missions.

I had sent a cheque to Mr B. Price for £18.32 this brings this year's total to £373.97 which is £4.27 more than last year. It is good the total is more than last year although not a lot we must be very grateful for small mercies in the world we live in today.

So thanks to you all who supported Home Missions

## **BREAN**

**[www.brean-methodist-church.home.dhs.org](http://www.brean-methodist-church.home.dhs.org)**

I thought I would be truly noble and read some of the Agenda Reports for this year's Methodist Conference. I was just coming to the end of the Report that showed in what a difficult state are the Connexion's finances, when it struck me that I was overdue in compiling this month's Link Report. Now what set that off I wonder?

The Connexion is struggling, and so are we. We are an ageing Church, and apart from a few bright spots, we feel that we are in decline. Is it terminal, or is it a time of change?

I'm a firm believer in evolution. Evolution in the way the world has existed all these billions of years (and could yet continue to do so for who is to say that homo sapiens is the last form of human life?), and in our own experience. History shows a development that has experienced ups and downs in terms of understanding and attitudes but now sees a lifestyle more sophisticated than ever before. And I think a study of scripture also portrays an evolving understanding of man's relationship to God. Why else did Jesus come at a particular age rather than at another – if it wasn't the right time for the startling message he gave us!

Perhaps now we are in a situation that asks us to re-consider, just as the Jews did when they were forced into exile in Babylon. When human

kind has lost confidence in the eternal message for so much has been revealed to us in science and is no longer a mystery, just what does God mean to you in your life – a God, that is, who is Love? God who is Spirit.

It is a time for us to question God's purpose for us at Brean too. We have had the roof renewed, the insurance will pay for most of the consequent damage to the ceiling, and yet where are we going with it? Our numbers slowly recede, some are not well (and we think especially this month of Wal and Marjorie Godwin after their recent troubles), we are talking amongst ourselves about what do we do this winter, and our ecumenical partnership rests on a knife edge.

Those who conducted their review of the partnership will make a presentation of their report on 6<sup>th</sup> July. Pray for us that, with our Anglican friends, we respond to the urging of the Spirit, whichever way that will be. God has a purpose for His church in Brean, and I believe that He has a purpose for the people called Methodist too, if we will but have the grace to discern it. It's a time of change!

This year's Methodist Conference is at Portsmouth until 1<sup>st</sup> July. You can follow Conference this year in sound and video and links to this and to the Agenda Reports can be found here;

**Go on have a listen!**

# WEST HUNTSPILL

We at West Huntspill Methodist Church; celebrated our 159<sup>th</sup> Anniversary on Sunday the 13<sup>th</sup> June. Rev. Andrew Biggs was with us in the morning; when we were encouraged to think and pray about people or situations on our hearts during a time of quiet.

Then in the evening Rev. Sheila MacInally led our worship and during the sermon told us of her journey to faith in Jesus Christ. It was a lively time with Sheila's favourite Hymns. We were joined by some of our friends from the Link; from St Peter & All Hallows (W.H.) and from Pawlett Methodist Church of the Bridgwater Circuit.

Then on Tuesday the 15<sup>th</sup> June we had an evening of Light Entertainment; where we were entertained by The Coastline Singers (who rehearse weekly in the Chapel), they are getting better each time we hear them. There were a few breaks when members of the Choir read poems to us; some of which had been written by the member themselves.

At the interval; David Holley from the Parish Church entertained us with some of his collection of funny stories and poems. David ended with a serious poem. Just before the Choir sang their final piece; another of their members read her poem which was centred on the Coastline Singers themselves which was very entertaining.

We were joined for the evening by the same friends plus some local folk. We finished the evening with tea, coffee and biscuits. We also had a Bring and Buy stall; which was very popular.

Next year we will be celebrating our 160<sup>th</sup> Anniversary; please make a note of the date Sunday the 12<sup>th</sup> June 2011. It would be lovely to see you in West Huntspill to celebrate with us.

Janet Johnson.

## **BRENT KNOLL**

First, my family and I are taking this opportunity to say how very grateful we are to the many, many friends who sent cards, letters donations and flowers following Bill's death and, especially, we thank all those who attended the Thanksgiving Service at Brent Knoll Methodist Church. We wanted it to be a joyous occasion when we remembered Bill, his love for us and all that he meant to us having so many of you there, helped us through a difficult, demanding day. So a very big thank you.

Sadly soon after the June LINK was written. Lily Roper died. She knew that her illness was terminal, but she remained cheerful welcoming visitors with a smile of delight and telling us all she wanted was to be with her Lord, her husband and her son. We miss her friendly presence and are thankful to have had her for the last few years.

Our other "Invalids" Ted Latham and Geoff Tullett are making progress and we look forward to having them with us again before long.

As always we enjoyed our Anniversary Celebrations and were pleased to have Andrew with us to lead our worship. It was well attended, with a number of children. Mainly the Knott family who can be guaranteed to liven up the proceedings! Afterwards, we shared a "Bring and Shared" lunch, amazed as always at the amount of food we managed to tuck away. The problem of left-overs doesn't seem to exist with us!

Once again we are faced with the prospect of Builders in to carry out the necessary work to stem the inevitable damp which is the plague of old buildings. The work is scheduled to start in July, at the end of the school year and we hope the school room will be available for the first of our August Coffee Mornings on Saturday the 7<sup>th</sup> 10.30am to 12noon. If we have to change our plans we will keep you informed.

We send our best wishes to all our friends in the Link wishing for safe travel and happy holidays for all who will be away and hoping to see as many as possible on August 7<sup>th</sup>.

Barbara Drew.

# EAST BRENT

Do you remember .....all that snow? We were reminded of it when Carol was with us last month and we were finally able to celebrate our Church Anniversary. It was postponed from that very icy Sunday when even local Churches were unable to open due to the road conditions. Our small congregation enjoyed the service and took Communion together, literally, since we were all able to be by our communion rail at the same time.

Harvey Allen was with us for family service and encouraged our normally shy Brownies to join in, regardless of the fact that he managed to make a good job of mixing up their names – all taken in good part and no offence meant. We are always pleased to see the Brownies and know that some of them come to us on our Family Service Sundays instead of attending their own Churches. I am sure the Brownie leaders appreciate this as do we.

We were able to support the Brownies recently (albeit for a very short time for some of us) in their challenge to serve 100 drinks. They have not reached their target yet but by the time you read this perhaps they will have done.

Best wishes to all who have been unwell.

Good luck to all going on holiday. Hopefully you will have a good time and there will be no more cancellations.

Margaret Scott.
